

CORRIGENDUM

Call for Tender Notice No. 10/2021 “**SELECTION OF A SYSTEM INTEGRATOR (S.I) To Augmentation and AMC for the Rest of Odisha, Odisha Power Transmission Limited**” has made the following alteration in the RFP:

1. The whole portal source code and DB is to be migrated from existing solution to Open-Source solution with Linux VM Platform for better security.
2. The migration of the source code and DB to Open-Source is to be merged with the AMC of GIS Application Work during the Project execution duration of 1 year i.e. within one year of project. If after Go-Live, any changes come during the project execution shall be taken care by the vendor as per the scopes of the RFP otherwise it will be treated as the change request with separately proposing the change request technical solution and financial proposal.
